Dear Judge Glasser:

We represent Defendant Arab Bank plc in the above-referenced action and write pursuant to Your Honor's Individual Rule IV to propose a briefing schedule for a dispositive motion.

The Defendant intends to file a motion to dismiss the pending Complaint pursuant to Fed. R. Civ. P. 12(b)(2) and 12(b)(6). The parties have discussed the proposed motion and jointly propose the following schedule to govern the briefing:

- April 16, 2018: Defendant to serve and file its notice of motion together with supporting submissions and memorandum of law;
- May 25, 2018: Plaintiffs to serve and file their responsive papers together with supporting submissions and memorandum of law;
- June 18, 2018: Defendant to serve and file its reply papers together with supporting submissions and memorandum of law.

We appreciate the Court's consideration and respectfully request Your Honor's endorsement of this schedule.
